

baremedical®

Island Dressing

Baremedical island dressing offers the convenience of an all in one dressing by combining an absorbent non-adherent central pad surrounded by a breathable adhesive border. It is an excellent alternative to gauze or tape

Features & Benefits

- Primary or secondary bordered non-adherent gauze dressing
- The non-adherent pad in the center is designed to avoid disrupting the wound bed upon removal
- Composed of polypropylene and rayon materials
- Rectangular shaped dressing
- Low to moderate exudate
